Dear Miss Allan:

I wrote Professor Vernon Cheek last week that as soon as we had finished installing our new photography exhibition I would send you a list of young photographers who are doing interesting and significant work and who - I believe - would be of advantage to your forthcoming show.

The list is sent herewith and I hope it will be of some use to you. I wish I could hear more of the outcome of the exhibition as it interests me very much.

Sincerely yours,

Hugh Edwards, Curator of Photography.
