

October 29, 1965.

Mr. Stephen Deutch,  
75 East Wacker Drive,  
Chicago,  
Illinois.

Dear Steve Deutch:

Here is a list of names which I suggest. If others come to mind in the next few days, I shall send them. There are omissions in the present list (for example, Aaron Siskind and Arthur Siegel) of photographers with whom I am sure you will be in contact. In any event, I hope the list will of some use and bring some interesting material to the show.

The time spent with you a few days ago was a great pleasure to me and I look forward to seeing you again. If there are any questions I might answer, be sure to call me.

Sincerely,

Hugh Edwards, Curator of Photography.
